

# Is it Time to Transition?

## A Discussion of Organic Production

Plentywood

Wednesday  
October 29

Refreshments  
provided

Sheridan Civic Center  
at the Sheridan  
County Fairgrounds  
East of Plentywood

Come visit with local organic farmers, organic grain buyers, members of the Montana Organic Association and agricultural support staff and learn about the opportunities organics may offer for your farm.

Organic growers will share their experiences and organic grain buyers will discuss the increasing demand for organic products and premium prices available for certified organic crops.

In conjunction with the  
Great Northern Development Center's  
Northeast Montana Agriculture Conference

### Schedule

8 a.m. Conference registration - This is not required to participate in the Organic Production Discussion, but the conference does offer a wide range of helpful programs, including:

Estate planning    Modern Day Cooperative Development  
H.E.R. Insurance    What is Natural Beef?

#### Organic Production Topics

2:15 p.m. Organic Awareness, Certifying Agencies,  
and the Economics of Organic Production

3 p.m. Wired Program and the Bio Products Innovation Center

3:30 p.m. Visit Trade Show Vendors and Biodiesel Demonstration

4 p.m. Organic Awareness - Will This Work On My Operation  
(discussion with organic farmers and organic grain millers)

Questions: Contact Ginny Harrington, Montana Department of Agriculture  
(406) 444-0131 for more information.
